JOB DESCRIPTION

Job Title:	Account Coordinator	IPP:	GREEN
Job Level:	L1	Job Series:	OPS
Reports to:	SVP of Operations	FLSA Status:	Exempt
Department:	Operations	Division:	Operations

Job Summary: This role assists in the coordination of flooring installation projects and will focus on supporting existing Account Managers that are handling our top national account customers. This role supports day-to-day activities. This job requires the ability to juggle multiple projects and tasks at one time and can require responsiveness at a fast pace. The person in this role needs to be comfortable with changes and highly adaptable, while still having a respect for procedures.

Essential Functions/Accountabilities:

- Ensures that flooring projects are coordinated and move forward in a timely, cost-effective manner and make changes and adjustments as needed.
- Proactively apply strong problem-solving and customer service skills to effectively coordinate project details.
- Be attentive to detail and demonstrate a respect for protocol and the ability to follow procedures with accuracy.
- Develop a proficiency for operating in the IEX System and:
 - Enter data for address set up
 - Take ownership for updating Cust x (Customer data)
 - Create jobs and send required information to Estimating
 - Maintain Work Orders
 - Provide daily updates on projects
 - Ensure job updates (starts, punches and completions)
 - Ensure job closings and financials/variance assessments
 - Assist with scheduling projects
 - Complete "Ultimate Edge" project communications document as needed.
- Occasionally work evenings and weekends to facilitate solutions when necessary (i.e. whenever down time or deadlines demand).
- Takes ownership for Customer Portal management and document collection from end-user into customer portals.
- Keeps product order sheets current.
- Conducts pricing and margin analysis.
- Facilitates "go-back" reporting and execution.

5.24.17

- Actively involved in costing and understand how travel affects projects.
- Assists with RFI's (Request for Information) to fulfill replying to prospects or existing customers as needed.
- Audits jobs to ensure that margin goals or requirements are met.
- Identifies areas for improvement within the IEX (Information Exchange) System to optimize the ability to work efficiently and effectively to meet the needs of internal and external customers.
- Displays ownership for documenting problems, proactively proposes solutions, and exhibits follow through to completion, while keeping stakeholder parties involved and informed at all stages, as necessary.
- Attends team meetings as required to share information regarding project developments, as well as to gather information about future needs or projects.
- Establishes, organizes and maintains project assets and records, ensuring complete accuracy and confidentiality.
- Demonstrates an "I can" attitude and a commitment to delivering exemplary service when interacting with internal and external customers.
- Commits to professional development through self-paced study and/or relevant training as approved by Manager.
- Performs other related duties as assigned.
